

Proven Results.

Over the past 20 years, we have worked with over 10,000 Alberta entrepreneurs. The success rate of businesses that have completed the MKS learning program is over 80%.

“ I can't imagine what my business would look like today without the knowledge and know how MKS shared with me. ”

Courtney Neal
Prairie Palette Gardens

There is no charge for the MKS learning program. The Province of Alberta is working in partnership with the Government of Canada to provide employment support programs and services.

New Opportunities. New Challenges.

Today, more people than ever are choosing to be their own boss.

While it can be incredibly rewarding, starting your own business can also be extremely challenging.

For over 20 years, MKS Learning Centre has helped to prepare entrepreneurs with the skills and knowledge required to establish successful businesses.

Business Training.

There are many key steps involved in starting up a business. The MKS program guides you through the essentials.

- Business Planning
- Strategic Planning
- Sales and Marketing Strategies
- Taxation Matters
- Financing
- Legal Matters
- Stress/Time Management
- Business Communications
- Business on the Internet

Experience On Your Side.

At MKS, you work with a dedicated staff of coaches, instructors and facilitators who have all started profitable businesses of their own.

One-on-One Business Coaching.

In addition to classroom training, every client has access to personal coaching and advisory services. MKS businesses coaches customize their approach to best serve your individual needs.
